3. Substitutions will not be permitted once teams have been weighed.
4. Starting weight for all teams is as follows:
  - a) ALL teams MUST be in by 5,000 pounds.
  - b) Each additional weight is to be between 400-500 lbs and stated at the beginning of the pull based on weight of supplied items. The weight divisions are subject to change to equalize entries in each division at the discretion of the LAEA Draft Horse Pull Committee.
5. Competition to be decided by straight pull-out in each division.
6. The team must make three (3) complete pulls to qualify for any monies. Teams can join at any point. All teams must be in by 5,000 pounds
7.
  - a) The Committee will determine the draw order.
  - b) No demonstration or practice pulls are allowed.
8. The Westdene Farms Award winner is determined by a percentage pull, with calculations based on the team's weight, total weight pulled, and the distance pulled.
9. TEAMS MUST DEFINITELY BE UNDER CONTROL AT ALL TIMES. Any teamster or helper caught or reported of abuse of horses before, during or after the show shall be immediately disqualified, and all prizes won shall be forfeited.
10. The Committee reserves the right to conduct a full saliva and/or urinalysis tests on all teams or randomly at their discretion. Teams reacting positively to tests will forfeit all prize money, and the teamster may be banned from future Draft Horse Pulls at the Lloyd Ex Fair for a period as set down by the Committee.
11. It is the tradition of the show ring that an exhibitor be correctly attired, attendants be neatly dressed, and horses properly presented.
12. Management may in its discretion bar any entry or person tested over the legal limit of alcohol consumption, offenders will be disqualified. The decision of the Committee will be final with no appeal and all prize money and prizes will be forfeited.
13. Teamsters are allowed to use neck yokes or offset eveners.
14. Only the teamster and one evener person are allowed with each team. No header is allowed except during a harness break. Helpers are not allowed to talk to the horses. Failure to comply with this rule will result in disqualification.
15. The teamster or an evener person may ride the boat during the pull. We recommend that each team have an evener person.
16. Once a team has entered the ring no change in harness will be allowed unless due to breakage. This does not include adjustments.
17. A teamster will be allowed three minutes from the time his name is called to hook up or be eliminated. If a team refuses, a teamster will be allowed one minute to rest and to try the load again. If the team refuses again the team is disqualified and the distance pulled to that point is recorded. The ringmaster is to time.
18. The pull is to be made hitched to the sled over a distance of fourteen (14) feet; side-lines are sixteen (16) feet apart. There will be two (2) tries to pull the load fourteen (14) feet with a maximum of one-minute rest between tries. The team must not be intentionally unhooked during these tries.
19. The pin and chain laid out flat must measure fourteen feet. The pin must be pulled completely out to qualify as completed pull.

  - a) While hooked to the boat, the team must stay within the sidelines. If the team steps on or over the lines, it will be eliminated and allowed the last completed pull. (Teamsters may ask the judge or ringmaster to centre the boat before hooking. If there is no means available to centre the boat, the judge may waive the sideline rule on the line nearest the boat.)
  - b) Teamster may ask to change direction of the pull only if this is their last pull.
21. Once the team starts the load, the teamster must stay behind the eveners except during the one-minute rest period allowed after refusal, or a harness break. At these times, the teamster may move to the head of this team. Evener persons are not allowed ahead of the eveners at any time except in a potential emergency. Disqualification will result.
22. Teamsters will not be allowed to slap, slash, or swing lines at the horse at any time.
23.
  - a) Jerking the load or use of spring-loaded eveners is prohibited. The judge will make the final ruling.
  - b) If a boat is bumped over 6", it is considered a try.
24. If a break in harness or equipment occurs there will be a time limit of five minutes to fix the break and be hitched back to the load. If a teamster forfeits the pull at which a breakage occurs, he must pull the next weight the full distance or weight goes back to the previous completed pull.
25. There will be a ringmaster, two linesmen and a pin man to assist the Judge. These individuals have the authority to advise the
