Alberta's Country Legend

Dear Exhibitor:

We would like to welcome you to our 32<sup>nd</sup> annual event, taking place February 9 - 10, 2022.

Our committee is working hard to make Agri-Visions 2022 better than ever. Our conference component continues to evolve to meet the demands of the ag industry. We are currently working to have a great line up of speakers that will be dynamic and appealing to all.

#### Agri-Visions – What is it?

Agri-Visions is the only event in the area bringing both livestock and grain producers together; giving exhibitors the opportunity to connect and network with both segments at one time. It is an agricultural-based tradeshow with educational opportunities through keynotes and breakout sessions which include topics such as technology, farm management, market trends, support services, and products for both cattle ranchers and grain farmers. We reach a potential trading area of over 120,000 people.

#### Agri-Visions – Benefits

- Centrally located in one of the largest grain and cattle producing regions of both Alberta and Saskatchewan
- Reaches both cattle and grain industries, suppliers, and customers at one event
- Provides resources and learning opportunities that producers can gain insight into the direction of agriculture in an ever-changing market
- Opportunity to host producer/grower meetings during the event
- Opportunity to purchase conference packages for customers and employees at a reduced rate

The relaxed atmosphere of the show, quality speakers and focus on both the grain and livestock industries is what make it such a success. There is over 72,000 square feet of exhibit space which fills up faster each year. For further inquiries contact the Lloydminster Exhibition Office and speak with Shelly Ann Dodgson by phone at (306) 825-5571 or email at [agmanager@lloydexh.com](mailto:agmanager@lloydexh.com).

We look forward to seeing you at Agri-Visions 2022.

Sincerely,

*Ron Weaver*
